Robert (Bob) Orr, RG, has joined Wilson & Company as a Senior Environmental Specialist in the Kansas City, MO, office.

Bob brings more than 30 years of experience from positions in both the public and private sectors. He has a diverse background in the fields of transportation, planning, and environmental studies throughout the United States for the federal government, municipal, industrial, and private clients. Bob has been responsible for managing environmental and transportation teams, project management, quality assurance/quality control, and building client relationships in transportation and environmental markets, concentrating mostly in Missouri and Kansas.

Bob has Master and Bachelor of Science degrees in Geology and a Bachelor of Science degree in Education from the University of Missouri. He is a registered geologist in Missouri. He is also a certified Safety, Emergency and Environmental Manager; a registered Environmental Manager; a Certified Environmental Auditor; and a Certified Hazardous Materials Manager.
