Daniel S. Aguirre, PE, CFM, has been elected as Chairman of the Board at Wilson & Company, Inc., Engineers & Architects.

Dan has been with Wilson & Company for 26 years and has been a member of the Board of Directors since 2010. Dan leads the Municipal Services Division, and is based in Albuquerque.

"I appreciate the leadership Dan has offered Wilson & Company for these many years, and I'm looking forward to working with him in his new role, particularly as we review our Strategic Plan and begin The Next 85," said Steve D. Watt, PE, President and Chief Executive Officer.

During his career, Dan has been involved with the analysis, design and construction management of hundreds of civil engineering projects. He has a bachelor's degree in Civil Engineering with a minor in Economics from New Mexico State University. He is a registered engineer in New Mexico, Texas, Arizona, Colorado, Oklahoma, North Carolina, Kansas, and Missouri. He is a Certified Floodplain Manager in New Mexico.

He is active in community and industry organizations, including Albuquerque Chamber of Commerce, Rio Rancho Chamber of Commerce, American Council of Engineering Companies, National Association of Industrial and Office Properties, Society of American Military Engineers, American Public Works Association, New Mexico Rural Water Association, Association of State Dam Safety Officials, Association of State Floodplain Managers, New Mexico Floodplain Managers Association, and International Erosion Control Association.
